

Retail Display Box

Assembly instructions

Fold up sides **1**.

At one end, fold in flaps **2**,
and fold over flap **3** to
secure with small tab fitting
into the slot on the base.
Repeat at the other end

Fold in the pair of jar shaped
doors **4**, hinged in the
middle.

Place jars inside box and fold up the flap ensuring doors **4** slide in between the jars while flaps **5**, slide in between the jars and the inside edge of the box.

Tuck flaps **6** into the slot along each end of the box to close the box.

You may wish to add tape or label to secure the box.
